SANTA BOOTS IMPACT

The holidays are often difficult for many military families who are separated because of deployment or caring for the health of a wounded, injured or ill service member.

Last year, thanks to Boot Campaign's Santa Boots Program, families in 31 states and Washington D.C. received packages filled with gifts for the whole family.

HOW IT WORKS

Step 1: Families Are Nominated

Veteran and active duty families are nominated to receive Santa Boots gift packages.

Step 2: Gifts Are Donated

Patriotic families and businesses across the country curate gifts based on the families' interests and hobbies.

Step 3: Presents Are Wrapped

Approximately 15 to 20 personalized gifts are wrapped with love and packaged for delivery to each family.

Step 4: Boot Campaign Elves Deliver

Santa Boots gifts are hand-delivered just days before Christmas to military families in need.

GIFT DRIVE OR ADOPT A FAMILY

Hosting a gift drive is the easiest way to share holiday joy with heroic families in need!

Step 1: Receive a list of suggested items and gift cards from Boot Campaign.

Step 2: Challenge your friends, coworkers, relatives and neighbors to get involved.

Step 3: Collect the gifts.

Step 4: Mail the unwrapped gifts to a Santa Boots workshop where our elves will do the rest.

If you are interested in investing in the adoption of an entire family's gift box (average cost is $1,000) we'd be happy to visit with you.

VOLUNTEER

Any elf, near or far, is more than welcome to help in Santa's workshop!

Opportunities Include:

- Writing personal notes of thanks to Santa Boots military families.

- Wrap gifts in Santa's workshop December 1 - 3 in Tyler, TX or December 3 - 6 in Grapevine, TX.

- Hand-deliver Santa Boots packages to families in your city.

For volunteer opportunities please contact Lydia Walker at Lydia@bootcampaign.org or visit santaboots.org for volunteer registration.
