BOOT 
CAMPAIGN

2024

OUR MISSION

Unite Americans to honor and restore the lives of Veterans and military families through individualized, life-improving care.

OUR VISION

A nation where personalized and precision care is available to those who have laced up their boots to protect our freedoms so that they know and never forget their lives, sacrifices and service matters.

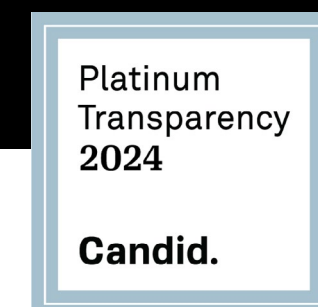

OUR STRATEGY

- Financial transparency
- Individualized and personal care
- Adaptable to the most pressing needs of those we serve

In 2024, Boot Campaign celebrated its **15th year** as an organization. The traditional gift for a 15 year anniversary is crystal, symbolizing the clarity and transparency of a strong relationship. And I can attest that Boot Campaign, its staff and its board of directors have crystallized our mission and vision for the organization and how to best step in strongly for America's Veterans and military families.

The needs of those who serve(d) have evolved since our humble beginnings in 2009 and so have our programs to support those who lace(d) up their boots to protect and defend our freedoms. What began 15 years ago as an effort to shine a spotlight on the challenges of Veterans and military families has grown into a national organization, rooted in transparency and adaptability, that is truly changing – and saving – lives through individualized care.

Albert Pike said, *“What we have done for ourselves alone dies with us; what we have done for others and the world remains and is immortal.”* And because of our supporters nationwide, our mission to unite Americans to honor and restore the lives of Veterans and military families through individualized, life-improving care continues.
